WAIVER OF RESPONSIBILITY

(Unless you fully accept the following conditions and sign the waiver you will not be permitted to take part in this event.)

I, the undersigned, know that Amateur Radio Direction Finding, as an outdoor action sport, carries significant risk of personal injury and health. I know that there are natural and man made hazards, environmental conditions and risks which, in combination with my actions can cause me serious or possibly even fatal injury.

I fully understand that my health and ability permits me to participate in such an event where endurance matches with my health. I declare that my health is good and I alone am responsible for risk factor of my health in this event.

I shall not cause hazardous actions so to cause injury or risks to other competitors, officials or general public.

I shall follow all traffic regulations en route and return and I myself shall be responsible for any traffic violations.

I agree that I as a participant must take an active role in understanding and accepting these risks conditions and hazards.

I also agree that, I alone am responsible for my safety while I participate in this event and not the organizer & officials of the event OR any other part.
